Made from tree-ripened Rome and York apples known for their juicy sweet-tart taste and excellent holding texture, our infused dried apples retain their piece identity, color, and flavor in all applications. Plus, they contain antioxidants, phytonutrients, and flavonoids that help strengthen immunity and support digestive, heart, and brain health. Authentically delicious and incredibly versatile, our exceptional infused dried apples bring a delightful balance of flavor, texture, and nutrition to food.

Available cubed or julienned with outstanding piece integrity, moisture, and texture, our infused dried apples flow easily through your mixing equipment and perform well in a wide variety of foods.
